Setting up a VPN connection

7

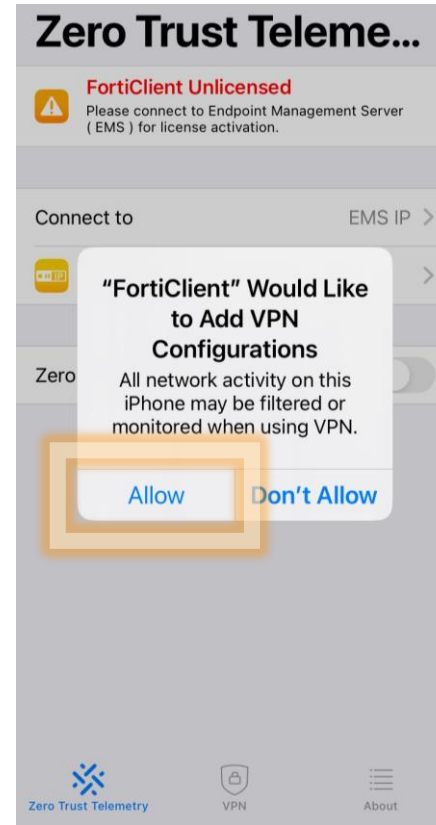

Installing and configuring FortiClient

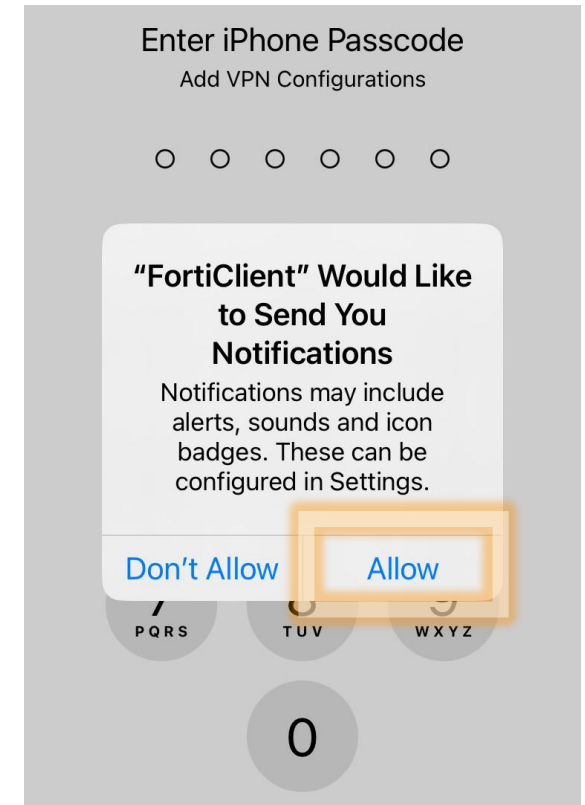

- open the **App Store**
- download **FortiClient**

- **allow** the VPN configuration

- select **Allow**

Installing and configuring FortiClient

- choose **I accept**

Privacy Policy Highlights

FortiClient DOES NOT collect any user specific personal information like username, photos or email address and send to Fortinet.

Analytics

FortiClient may collect anonymous usage information and share with Fortinet for the purpose of improving usability and functionality.

VPN

FortiClient does not monitor end user VPN traffic.

WebFilter

FortiClient webfilter feature, if enabled, submits website urls to Fortinet servers for category rating.

By selecting "I accept" below, you agree to the FortiClient [Terms of Service](#) and [Privacy Policy](#).
