

**SAFE – Supporting at risk researchers with fellowships in Europe**

# **Certificate of participation External Reviewers of the SAFE applications**

This is to certify that

**Prof Dr Andreas Schmid**

representing University of Applied Sciences Hof, Germany

participated as an academic or regional expert in the evaluation of the SAFE fellowship applications in February/March 2025.

Stefanie Kottowski

Project Manager SAFE

*The SAFE project is an EU-funded initiative that offers fellowships for at-risk doctoral and postdoctoral researchers of any non-EU nationality for a research stay up to 24 months at a higher education and research institution in the EU. For more information: [saferesearchers.eu](https://saferesearchers.eu)*
