

Study Program Structure

The MBA program has a duration of two years, and can be extended for an additional year.

India

The first semester takes place at the partner institution, the PSG Institute of Advanced Studies in Coimbatore, India.

Germany

The second and third semester take place at the Hof University of Applied Sciences in Hof, Germany.

Internship (either India or Germany)

The fourth semester is conducted as a paid internship at a company located either in India or Germany. Hof University offers strong support in finding an internship; however, the student is free to independently find and choose a company of his or her choice.

The international career service at Hof University offers excellent workshops, e.g. courses on searching for jobs in Germany or CV writing. Additionally, extra internship preparatory courses are offered to GIMS students.

Master's Thesis

The Master's thesis has to be written during the time of internship. However, it is possible to extend for a 5th or even 6th semester. of opportunities for interaction with other students and with faculty beyond the classroom, e.g. state-of-the-art facilities such as 24/7 library access, canteen, cafeteria, Italian restaurant, sporting area and much more. The atmosphere on campus greatly enriches the educational experience.
